## 3DPawsnToys

### ■ SAFETY WARNING - PLEASE READ

3D-printed pet toy made from PLA / PETG / TPU. Non-toxic, NOT for dogs & cats only - always supervise play.

Designed for light-to-moderate chewers; not for power chewers.

Choose a size LARGER than your pet's mouth to reduce choking risk. Inspect before & after each use. Discard if cracked, broken, or chewed into pieces - fragments may cause choking, dental injury, or blockage.

Not for children under 3. Clean with mild soap & water; keep from mouth.

Used at owner's risk. Manufacturer not liable for injury from misuse.
